

# SM 215 MODEL GARBAGE DISPOSAL

## TECHNICAL DATA

**Manufacturer:** Copmak Teknolojik Mutfak Aletleri ve Sanayi Ticaret Limited Sirketi

**Address:** Ikitelli Organize Sanayi Bolgesi Mutfakcilar Sanayi Sitesi M5 Blok No36  
Basaksehir/ Istanbul / Turkey

**Telephone:** +90 554 70 70 Pbx Customer Service 444 9 040 Gsm + 90 533 206 79 96

**Communication:** [info@copmak.com.tr](mailto:info@copmak.com.tr) [www.copmak.com.tr](http://www.copmak.com.tr)

**Production Site:** Turkey

**Product Name:** Garbage Disposal Machine

**Brand:** Copmak

**Certificates:** CE Certificate, IP65 waterproof power box certification

**Type:** Under Sink Industrial

**Engine:** 2 Hp 2800 Rpm

**Energy:** 220/240 Volt 50/60Hz Hz 1,5 kW Single Phase 1~ 1N 1P and other barcoded energy options

**Blade System:** 304 Quality Stainless Steel

**Garbage Inlet:** 160 mm with magnet

**Security Warning:** Audio and light warning positioned on the device

**First Run:** Pneumatic Button

**Protection:** Safety thermal protection against overload

**Capacity:** 300 kg per hour, Kitchens that do not exceed 400 people

**Plumbing Clean Water:** Feeding from the existing sink tap

**Energy Installation:** 3x2.5 mm TTR power cable under the sink H 400 mm 30 Ampere Fuse per line

**Waste Water Plumbing:** 50mm diameter PVC pipe under or near the sink, maximum height 250mm

**Gross Net Weight:**

**Box Size:**

**20-foot Container Quantity:** 450
